OFFICIAL PREMIUM LIST

PANAMA-PACIFIC INTERNATIONAL EXPOSITION CAT SHOW.

The Panama-Pacific International Exposition Cat Show will be held by the Department of Live Stock under Exposition Rules. The show has been given the sanction of the A. C. A. and C. F. A., with due recognition to the registration and exhibition of cats from all countries with special privileges.

A fee of \$1.00 will be charged for each cat or kitten to cover expense of caging, feeding, care and exhibition, and will enable it to compete in any class to which it is eligible.

Entries must be filed with the Chief of the Department of Live Stock on the entry form furnished by the Exposition, on or before November 10, 1915. The show room of the Department of Live Stock will be open for the reception of cats on Saturday, November 27th, and until 11 a. m. Monday, November 29th, after which none will be received. Judging will commence at 1 p. m. This show will close on Wednesday, December 1st, at 5 o'clock.

Entries may be made through members of Executive Committee or Exhibits Committee if ample time is allowed for filing before November 10th.

No animals will be received or cared for until the caging fee is paid.

Every cat must be entered in the name of its bona fide owner as exhibitor, and the application for entry must be signed by the owner.

The word "cat" as used in these rules includes both sexes over 9 months of age, and the word "kitten" includes both sexes over 5 months and under 9 months of age. Kittens under 5 months will not be received except in case of mother cat and kittens. The age of cat or kittens to be reckoned from date of birth to November 1, 1915.

C. F. A. sanction does not include kittens, but A. C. A. does include them.

Cats having previously won in the novice class under A. C. A. or C. F. A. rules may compete under Exposition Rules in novice classes.

Exposition Rules do not recognize previous winnings of any kind. All have an equal chance. Exhibitors will receive a number for each cat corresponding to its cage number. Also addressed tags.

Any one attempting to influence or interfere with the Judge will forfeit prizes already won, and such conduct will bar exhibitor from the show.

VETERINARY INSPECTION.

A qualified veterinarian has been appointed as Veterinary Inspector, who will examine each cat before it is caged and disqualify any cat which exhibits any form of contagious disease. He will issue a certificate of health to each cat, which certificate must be shown before the cat is caged.

If protest is lodged against any cat during the show for exhibiting any form of contagious disease, or for blindness, or for being improperly tampered with, the Veterinary Inspector will make immediate examination and give his written opinion. If the protest is sustained the cat will be immediately removed from the show.

Blindness shall exclude from competition.

CATS MAY BE WITHDRAWN FOR NIGHT.

Exhibitors may withdraw cats for the night by depositing with the Manager or Superintendent \$5.00 each night for each cat withdrawn, together with its certificate of entry. The deposit and certificate will be returned when the cat is returned to its cage, which must not be later than 9 a. m. on the following morning. Exhibitors who do not return cats shall forfeit the deposit and all prizes won. Cats shall not be removed otherwise from the show except on certificate of the Veterinarian, or by permission of the Manager under penalty of forfeiture of all prizes and entry fees.

CAGES AND DECORATIONS.

All cages which the exhibitors desire to decorate must be decorated by the evening of Saturday, November 27th, and be subject to approval of the Chief of the Department of Live Stock. No ribbons or labels to be placed before judging takes place. Separate judging cages will be used. Spratts' cages will be used. Dimensions: Length, 42 inches; width, 21 inches; height, 21 inches. Out-of-town exhibitors may have their cages lined by the committee on payment of \$1.00 and by making application to that effect, accompanied by the fee for same.

CATS ENTERED FOR SALE.

Cats may be entered for sale only on the payment of the regular entry fee. The price must be stated on the entry form, and the purchase price must be paid to the Chief of the Department of Live Stock. No commission will be charged. Cats must be paid for at the time they are claimed. Kittens under the required age for competition can be entered for sale only on the payment of the regular entry fee.

CHARGES FOR GROOMING CATS.

Dr. Oscar Kron of San Francisco has been selected as official Veterinarian. He has also agreed to condition and groom any cats that are shipped from a distance for a charge of \$1.50 each, if any exhibitor desires such services. He will make a charge of \$2.00 per week for boarding cats while in his possession. Cats that are to be groomed must be delivered to him before November 27th.

PRIZES.

Prizes will be awarded on male and female cats and kittens and on neuters of each recognized breed, as follows:

Neuters cannot compete in breeding classes.

CLASSIFICATION FOR A. C. A. ENTRIES.

Section 1. Four classes are recognized for each type. (1) Kitten, (2) Novice, (3) Open, (4) Winners.

Sec. 2. The Kitten class is open to kittens between the age of five months and nine months. No entry can be made in this class whose date of birth, sire and dam are unknown.

Sec. 3. The Novice class is open to American-bred cats and kittens which have not won a first prize at any sanctioned show of this Association, winnings in the Kitten class excepted.

Sec. 4. The Open class is open to American-bred cats and kittens over five months old.

Sec. 5. The Winners' class (for which there will be no entry fee) shall be open to first-prize winners in the Kitten, Novice, and Open classes, all of which constitute the regular classes. The Winners' class may be divided by sex.

Sec. 6. The best cat in all the Winners' classes, known as the "Best Cat In The Show," shall be entitled to an additional credit of one-half the number of championship points as the sum may be.

Sec. 7. The solid-color male or female cat which wins ten points in the Winners' class at sanctioned shows where seventy-five or more cats are exhibited is entitled to the prefix Champion. A first prize in the Winners' class counts one point at a show having between seventy-five and one hundred and fifty cats; two points at a show having between one hundred and fifty and two hundred cats; three points at a show having between two hundred and two hundred and fifty cats; and four points at a show having more than two hundred and fifty cats. More than four points will not be credited from one show.

CLASSIFICATION FOR C. F. A. ENTRIES.

Section 1. Three classes shall be recognized for each type—Open, Novice, and Kitten.

Sec. 2. The Open class is for cats of either sex over eight months old.

Sec. 3. The Novice class is for cats over eight months old that have never won a first prize at any sanctioned show in the United States or Canada, previous to the opening day of the show.

Sec. 4. Cats imported from England may not be termed Novice.

Sec. 5. There shall also be two classes for winners for each breed: A Winners' class for first-prize long-haired males; for first-prize long-haired females; and similarly for the short-hairs.

Sec. 6. There may also be classes for cats not eligible for championships, also for neuters, at the option of the show management.

ARTICLE V. CHAMPIONSHIPS.

Section 1. Any cat which wins ten points under the conditions specified under this rule shall be entitled to the prefix Champion after having received a certificate of championship from the Recorder.

Sec. 2. Of each color, recognized as entitled to championships, the winning male in the Open class shall compete with the winning male in the Novice class, and the better of the two shall be awarded the championship points at that show for his color and type. The winning female in the Open and the one in the Novice class shall be similarly compared and the points allotted.

Sec. 3. At sanctioned shows the winners of championship points shall be allotted one point for fifty or more; two points for one hundred or more; three points for one hundred and fifty or more, and four points for two hundred or more cats and kittens present and competing. No matter in how many classes it is entered an individual may be counted but once.

Sec. 4. At all sanctioned shows, not smaller than a two-point show, the winners in the Winners' classes shall have one championship point in addition to the regular allotment provided for in Section 3. No Winners' classes shall be recognized except at shows held under these rules.

Sec. 5. Championship points won prior to March 1st, 1906, at shows held (a) under the rules of the American Cat Association; (b) under the rules of the American Cat Show Committee, shall be counted towards championship under these rules.
